PREFACE

We herewith present our patrons with the ninth volume of the series of Melrose Directories. We are grateful to all those who aided us in collecting matter for the book. We are pleased to note the encouragement of our advertisers who compose the wide-awake and enterprising merchants of Melrose and other towns and cities represented.

The Directory is an indispensable adjunct to the office, manufactory or house and no doubt without it much valuable time would be lost in locating persons, companies, institutions, etc.

A careful canvass has been made of the town by experienced men. The correctness of the information lays more or less with the people, themselves. Several times during this canvass wrong information was given us by young ladies. They called off the name of the head of the family who had been dead some time when they should have called off the widow's name.

We have published the names and dates of deaths of adults that have occurred within the last two years.

The Street List we have run again, this time at considerable expense. This makes a double list of residents we furnish. Hoping to issue the book again in two years, we remain

Sanitary Drainage and Ventilation

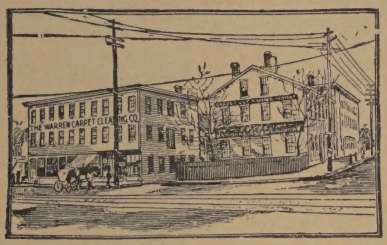
The Warren Carpet Cleaning Company



Carpets Cleaned, Laid, Fitted and Sewed.

Mattress and Feather Bed Renovating. Carpet Lining and Stair Pads. Rugs Woven from old Carpets. Oriental Rugs Cleansed and Repaired.

WARREN'S MALDEN RUG WORKS offers you the opportunity of utilizing your old and worn out carpets and remnants for making beautiful and serviceable rugs.

Rugs woven by our new and improved process are more durable and will wear longer than any other rug made. Both sides are alike. They will not roll, curl, fray or ravel and cost less than any other rug you can buy.

We can use ingrain, brussels and tapestry carpets. Brussels, tapestry and wiltons can be combined; but ingrains must be woven by themselves.

Several patterns of carpet can be woven in the same rug, combinations sometimes making the handsomest rugs.

Dealers in Brass and Iron Bedsteads, Springs and Mattresses, Dressers, Commodes and Chiffoniers, Straw Matting, Carpets, Rugs and Oilcloth.
